

Dear Scouting Family,

Less than two weeks to go now to Family camp. This letter is to confirm your attendance, let you know what to bring, where to go and how much is left to pay. Could you please complete the slip below and return to a leader or to the address shown no later than Monday 13th September.

Timing

The campsite will be open from 5pm on Friday for you to set up. There will be car access to the camping area to drop off gear unless it has rained heavily. Vehicles must be moved to the car park after unloading. We will be pitching tents at the far end of the field to leave plenty of room for activities. We will be breaking camp and leaving site by 2pm on Sunday.

Directions

The campsite is called Garner's Field. It is located off Sheephatch Lane which can be accessed either via Tilford Street from the B3001 or from Tilford Road, both from Farnham. There is no postcode to use with a Satnav, but the GPS coordinates are N 51° 11' 35.1" W 0° 45' 30.1". A map is provided on our website at www.bagshotscouts.org.uk. There will be a Bagshot Scouts sign at the entrance to the site.

Kit

You need a tent, sleeping bags/mats and eating kit (plate/bowl/mug/knife/fork/spoon). It will be cold at night. All the cooking gear and food for meals is provided. No snacks between meals have been catered for. There is an area for paddling in the stream, so a towel and extra clothing might be useful.

Activities

Unlike recent years there are no paid-for activities on site so we will be making our own fun. The plan is hold an 'It's a Knockout' style sportsday event on Saturday afternoon. This has allowed us to reduce the cost somewhat from last year.
