

## Bagshot Beaver Spring 2011 Programme

The programme of activities for next term are given below, along with the Parent rota. If you are scheduled to be helping and cannot make it, please organise a swap with another parent as we may have to cancel the meeting if we have an inadequate adult/child ratio. This is particularly important for outdoor activities where we have tighter requirements from the Scout Association.

We will be holding our annual Sleepover on Friday March 4<sup>th</sup> – hosted by Lightwater Nemo Colony again – with a Pirate theme this year. We will be sending out letters about this early next term.

2011 is the 25<sup>th</sup> year of Beaver Scouting and there will be a couple of events in the area to mark this. We are planning a picnic tea/fun afternoon in July (date to be finalised) and a mass-Beaver outing to Legoland on October 8<sup>th</sup> or 9<sup>th</sup>. We will have more details on this nearer the time.
