

## Dear Parent,

The schedule and rota for the coming term are below. Where we are scheduled to meet outside please ensure your child has appropriate clothing for the weather conditions – i.e. raincoat and boots or sunhat and sunscreen applied.

### Parent Rota.

When your family joined the group you agreed to join the parent rota. The reason that we have to do this is that we require at least one parent each week when we meet indoors to satisfy the minimum adult to child ratios required by the Scout Association. We prefer to have two parents so that in case of emergency no one adult is left supervising a child or children alone. When we go outside we need more adults depending on how we plan to divide the group.

In the last term we have had a considerable number of no-shows. Fortunately we have always had one parent otherwise we would have had to cancel the meeting. Should this happen we need to be able to contact you in order to get you to return to the hall to collect your child. If you have changed phone number recently please make sure we have the latest contact details for you. If it is your turn to help and you cannot due to, for example, sickness or work commitments, please arrange with another parent to fill the gap and as a last resort let Andy or Kate know you cannot by phone before the meeting. The rota is always available on the website if you are unsure of when your turn is.

### Active Kids Vouchers

We are collecting the Sainsbury's Active Kids vouchers again this year. A collection box will be available each Monday night.
